Alaska Fishery Resource Landing Tax Return Request for Notice of Value

Due January 31 of year following landing activity

Federal EIN or SSN			Tax Year	
Taxpayer name			Phone number	
Doing business as			Fax number	
Mailing address			Email address	
City	State	Zip + 4	Contact person	
If this is the first year you landed a fishery resource in Alaska that was not subject to AS 43.75, or if you landed a resource in Alaska that is subject to the fishery resource landing tax that was not listed on the previous years' Statewide Average Price Report, you must submit a Request for Notice of Value. We hereby notify the Alaska Department of Revenue that we are required to file a Fishery Resource Landing Tax Return for fishery resources landed in Alaska. We request that the Department of Revenue provide Notice of Value for each species listed below.				
Species				Species code
Attach a separate schedule if more species were landed in this tax year.				
	pecies w	•		0.4.
Signature		Print na	me	Date
